### **Education:**

College and Medical School: University of Chicago  
Internal Medicine Internship: University of Wisconsin  
Neurology and Pediatrics: Mayo Clinic  
Child Neurology Fellowship: Hospital for Sick Children, Toronto  
Neuroimmunology Research: Laval University, Quebec City

### **Art Education:**

Entirely self-taught. For three years, 1976-79, I fully left the world of medicine, to pursue my own artistic vision. This was full-time activity, with many individual and group exhibits of my art work.

### **Medical Professional Positions:**

Medical Director of Marklund, a pediatric skilled nursing facility for children with severe cerebral palsy located in Bloomingdale, Illinois.  
Director, Child Neurology, Advocate-Michael Reese Health Plan, Chicago.  
Peer Review Consultant, National Institutes of Health, Food and Drug Administration, and Air Force Office of Scientific Research.  
Peer reviewer for 11 medical journals.  
Founder, Pediatric Long Term Care Section, American Medical Directors Association.

### **Commitment to Medical Advancement and Education:**

Author of 57 neurology and pediatrics, clinical and research articles and 62 abstracts.  
Over 100 presentation to medical professionals internationally.

### **Clinical Certifications:**

Child and Adult Neurology: American Board of Psychiatry and Neurology  
Royal College of Physicians of Canada

### **Medical Honors and Awards:**

Recipient of 5 major clinical and research fellowships and 10 major research grants which have provided a total research funding of \$2.8 million (co-principal investigator of a \$2.4 million research grant, funded by the National Institutes of Health, concerning the epidemiology of Chronic Fatigue Syndrome).

Awarded for work in Pediatric Long-Term Care by the American Medical Directors Association.

Selected to be one of "America's Top Physicians" 2004 through 2007 by the Consumers' Research Council of America. (revised October 9, 2007)
